

Light Up the Tree words and music by Hank Beebe

Sing along with Light Up the Tree

Light up the tree, let's turn it on,
Send out its sparkle, bright as the dawn so it will
Light up the house, bright as can be,
What brightness of heart, we can start when we light up the tree.

(Grade 4 – 3 – 4 – 3)

Light up the house, inside and out
Light up the rooftops, leaving no doubt that it will
Light up the town, so all can see
What brightness of heart, we can start when we light up the tree.

(Div: 9/8 - 7/6 - 5/4 - 3/2/1)

Shine up the shadows with white and blue,
And the stars will do ---- the rest ----.

Light up the town, storefront and street,
Fling out a radiance, full and complete so it will
Light up the world, bright as can be,
If we can impart such brightness of heart
That can start ---, when we

(red – green – white – blue) Light up the tree! (all!)
